V slovenščini:

Darja Piciga je doktorica psiholoških znanosti in več desetletij deluje na področjih družbe znanja – vzgoja in izobraževanje ter raziskave, razvoj in inovacije. Več kot deset let se posveča tudi aktualnim izzivom trajnostnega razvoja, zlasti v povezavi s podnebnimi spremembami in prehodom v zeleno gospodarstvo, in konceptualno razvija evropski pristop integralnih svetov. Je avtorica več knjig ter več kot 100 objavljenih strokovnih in znanstvenih prispevkov. Med drugim je vodilna urednica in avtorica knjige *Integral Green Slovenia* (založba Routledge, 2016) in ključna osebnost Državlјanske pobude za Integralno zeleno Slovenijo. Je urednica priloge Podnebni dosje v reviji EOL in članica Evropske mreže za trajnostni razvoj (ESDN).

Dr. Piciga je do konca leta 2020 na Ministrstvu za okolje in prostor opravljala pionirsko delo pri prenosu in uporabi sodobnih evropskih usmeritev za okolje ter za nizkoogljično, krožno in biogospodarstvo v Sloveniji (aktualni Evropski zeleni dogovor). Po upokojitvi svoje poslanstvo nadaljuje kot neodvisna strokovnjakinja za podnebne spremembe, zeleno gospodarstvo, trajnostni razvoj, vzgojo in izobraževanje za trajnostni razvoj (VITR) ter integralno razvojno načrtovanje.

In English:

Darja Piciga has a PhD in psychological sciences and has been working for decades in the fields of the knowledge society – education and research, development and innovation. For over ten years, she has also focused on current challenges of sustainable development, especially in connection with climate change and the transition to a green economy, and conceptually develops the European approach of integrated worlds. She is the author of several books and over 100 published professional and scientific papers. Among other things, she is the lead editor and author of the book *Integral Green Slovenia* (published by Routledge, 2016) and a key figure of The Citizens' Initiative for an Integral Green Slovenia. She is the editor of the *Climate Dossier supplement* in the EOL magazine and a member of the European Sustainable Development Network (ESDN).

Until the end of 2020 Darja Piciga worked at Ministry of the Environment and Spatial Planning of the Republic of Slovenia, and pioneered in the transposition and application of modern European guidelines for the environment and the low-carbon, circular and bio-economy in Slovenia (the current European Green Deal). After retirement, she continues her mission as an independent expert for Climate Change, Green Economy, Sustainable Development, Education for Sustainable Development (ESD), and Integral Policy Planning.
